

# American Legion Family Post 58/Unit 58 Business Directory

The American Legion Family Post 58/Unit 58 Directory is designed to provide a place for Legion Family members to connect to local businesses owned by their fellow veterans. The directory will be published on both Post 58 and Unit 58 websites, as well as a print or digital copy for members.

Additional printed copies may also be acquired for a \$3 donation to Post 58 or Unit 58.

To apply for Post/Unit 58 Business Directory inclusion, you must fulfill the following conditions:

- ◆ The owner of the business must be a veteran who was honorably discharged OR the owner of the business must be an American Legion Auxiliary or Sons of the American Legion member in good standing.
- ◆ You must submit a copy of your DD214 to prove your service history OR a copy of your current American Legion Auxiliary / Sons of the American Legion membership card.
- ◆ You must be located in Broomfield OR include Broomfield within your service area.
- ◆ Membership is not required for veterans, but highly encouraged. Membership *IS* required for non-veteran Auxiliary or Sons listing in the directory. To join our organizations, you may download the application from [amlegion58.org](http://amlegion58.org) or [alaunit58.org](http://alaunit58.org).

The Directory is organized as follows:

1. Categories of services will be listed in alphabetical order.
2. Within each category, Post/Unit/Squadron members will be listed first in alphabetical order, then non-member businesses in alphabetical order. Members of Post or Unit 58 will be starred.

We encourage all businesses to offer a discount or special rate to our members. Please state any discounts you would like included in your listing. Standard policy is that members must show you their current year membership card to receive discount.
